Title: A Journal III

Author: Leoric Gathenwale.

I barely made it! this
stone almost crushed my
hand but I managed to
activate the second lever
before it covered it
again. I don't think I
could have handled having
to reactivate the first
lever once more. I've
tried stealthing my way
around but these
creatures relentlessly
reveal me. I don't want
to hurt them. I'm trying
to save them! But I fear
I may lose myself in this
venture. Something is
trying to take over me. I
can feel it...

I hear the heavy sliding
of the stone door in the
distance. The door is
opening! I must hurry
before it closes again so
I can complete my
etchings.
